GD X2 Modular pull group

Reduce maintenance requirements with a modular pull group

Issue	<ul style="list-style-type: none">• High maintenance requirements• Difficult setting
Consequences	<ul style="list-style-type: none">• Increased down time• Loss of production
Solution	<ul style="list-style-type: none">• Removal of the unwinding sectors and replacement with a removable pulling and cutting group• Simplified circular knife removal• Extra rollers to introduce further foil rigidity
Advantages	<ul style="list-style-type: none">• Improved performance• Low maintenance requirements• Reduced down time
Scope	<ul style="list-style-type: none">• Modular Pull Group, cutting head machining may be required
Time required	<ul style="list-style-type: none">• Approx. machine down time: depending on lead time of machining• Total mechanical hours: 24 hours• Total electrical hours: 0 hours
Guarantee	<ul style="list-style-type: none">• One year guarantee

Suitable for all GD X2
